2008 A4 with 122,480 miles. FWD, not a quattro! In good shape. Runs really strong (turbo) is strong, just had it inspected (mechanic torn into it to check barrings and turbine) it all checked out great. This 2.0 is one of the better engines Audi has made. Regular oil and maintenance done. Recently replaced the upper fuel pump and cam shaft follower.

I'm looking to replace all the stock speakers but am unsure what the sizes are. I have the Bose system with 2 speakers in each door, a long one on the rear panel behind the back seats and the triangle shaped speaker under the front windshield. I've asked around and can't get consistent answers from ppl at the car audio shops. I
