'Havemercy' is the first novel by Jaida Jones and Danielle Bennett. I had little idea of the story when I picked up the book, I'll admit I was attracted by the mechanical dragon on the cover. Though the dragon depicted (the book's namesake, Havemercy) features within, it's not her story.

Havemercy is original, funny, enthralling and entertaining to the extent that I can't remember the last time I've enjoyed reading anything so much, except perhaps for the Harry Potter series.
