for students to engage meaningfully with you, the material and each other is important for learning and helps maintain student motivation. When engaging students, keep these best practices in mind: Link to clear goals and outcomes: Make sure there are clear purposes and outcomes for any student-to-student interaction.

Engaging Students in Online Activities | Keep Learning ...

Engaging Students Is Key. As you get started with online teaching, just remember that the first and last thing you need to do is to keep your students engaged. Teaching online required me to rethink not only how I presented the course material but how I presented myself as a teacher. When teachers can't look at their students' faces or read ...
