Although many tarot practitioners apply a Jungian psychological approach to their tarot work, there's been a question as to whether Jung himself knew anything about tarot. In fact he did, and he would have liked to explore it more deeply but for a lack of hours in the day. Here are some of his references to the cards, although his tarot knowledge, especially of its history, was sorely lacking.

Jung's work and the Tarot. Just as each individual has an unconscious, Jung thought all humans shared one as well. He called it the collective unconscious, and it consisted of two parts: archetypes and instincts. We all know what instincts are— biological drives that drive behavior, e.g. hunger, thirst, and sex drive. Archetypes are typical examples of a particular person or thing. They ...

"Jung and Tarot: An Archetypal Journey" is presented as a study of the major arcana (the archetypes of the Tarot) - drawing upon the author's background in Jungian psychology and delving into mythology, literature, art and other sources. The purpose is to facilitate accessing the archetypal parts of our psyche. Nichols has chosen to do this through the use of the imagery in the Marseilles deck ...

Jung and Tarot. The Tarot, a deck of seventy-two cards, occupies a niche in Western mysticism and divination akin to that of the I Ching in the East. Long considered simply a superstitious system of "fortune telling," the Tarot is largely ignored in academic circles and is often met with disdain in clinical circles. This is unfortunate, since the structure of the Tarot and its use in ...

Jung and The Tarot. Jung was familiar with the Tarot (although not, necessarily their history). He referred to the cards in a number of letters and lectures. He believed that divination systems, like the Tarot or the I Ching, descended from the archetypes of transformation. Carl Jung - Wikipedia Jung goes on to tie in Tarot with his theories of archetypes and synchronicity, saying that the ...
