I'm really happy with this new coffee machine. Date published: 2017-09-30. Rated 4 out of 5 by DestinyW from quality beverages! I've been using this machine for about a month now (even though I've had it for nearly two months). In the beginning I was a tad overwhelmed at all the options and buttons, and even the setup. However, going through the manual a few times I tackled my first ...

McNulty, same here, and my washing machine is connected to cold water too, in accordance with the operating manual - but I just realised that the reason for this is that as I learned in my childhood there used to be additives in the hot water to prevent scale buildup (the first tea I made tasted really terribly because of this). They were replaced with the introduction of PVC pipes and we use ...
