The Art Of Living is a small book (144 pages) with big messages. I consider this book a personal development classic because while it's a modern book (1994), it's author Sharon Lebell's "interpretation" of the classic work by stoic philosopher Epictetus. Epictetus was born in A.D. 55 in the eastern outreaches of the Roman Empire. The book has been called the Western equivalent to the ...
