My daughter is 9 and I have been with my partner since she was 2 and he has never done anything other then treat her like his own and I wouldn't accept anything less tbh. He hasn't got other children but I don't think the way your partner is treating your daughter is fair. It's not her fault he can't do the same to his own daughter. Personally, you both need to communicate about this ...

The youngest is surely colic as I've experienced with my eldest daughter. My son would cry at from dawn to dusk. I was real weary about using Colic Calm in fear that my son was too young (2 months). But the first time I used it, it worked instantaneously, I didn't even finish giving him the full amount when he started to calm down. Within minutes of giving him the full dose he finally relaxed ...
