The serial killer in the frame of serial art seems to be outrageous and provocative, yet the history of serial killers is ingrained within a framework of art. In his satirical essay "On Murder Considered as One of the Fine Arts" (1827), Thomas De Quincey, drawing on the serial killer John Williams, argued that although murder is a heinous act, it could also be considered—in terms of art—a strive for aesthetic perfection:

While the entries to these volumes will continue to grow—the FBI estimates that there are at least fifty serial killers operating in the United States at any given time—the World Encyclopedia of Serial Killers is as complete as possible through the end of 2017. The series continues with Volume Two, Letters E-L. The entries include El Loco Luis Alfredo Garavito, Happy Face Killer Keith Hunter ...

[Murderpedia, the encyclopedia of murderers](#)

A serial killer is typically a person who murders three or more people, in two or more separate events over a period of time, for primarily psychological reasons. There are gaps of time between the killings, which may range from a few days to months, or many years. This list shows serial killers from the 20th century to present day by number of victims.

[Serial Killers | Encyclopedia.com](#)

A serial killer is typically a person who murders three or more people, with the murders taking place over more than a month and including a significant period of time between them. The Federal Bureau of Investigation (FBI) defines serial killing as "a series of two or more murders, committed as separate events, usually, but not always, by one offender acting alone".

Most of the entries in this encyclopedia are concerned with the serial killers themselves, whether they acted alone, in twosomes, or in packs. One of the biggest surprises for me was the large number of serial killers who are or were women. Something like 12% of all serial killers are female, and Hungarian women seem especially prone to this behavior, starting with Countess Erzsebet Bthory in ...
